Who are we?

One Awards, part of the NOCN Group, specialises in bespoke accreditation and quality assurance services. We support colleges, training providers, local authorities, employers and other organisations that enable individuals to succeed through learning.

We specialise in Access to HE Diplomas and as an Access Validating Agency (AVA), licensed by the Quality Assurance Agency for Higher Education (QAA) to accredit Access to HE Diplomas across England, Wales and Northern Ireland. Our diplomas support thousands of adults every year to progress to higher education, including university degree programmes and higher degree apprenticeships.

We are a not-for-profit charitable company and we invest our resources into continuously developing our products and services.

As part of the NOCN Group, which includes NOCN (UK), NOCN India Skills Foundation and CSkills Awards, One Awards also delivers services on behalf of NOCN, a leading international Awarding Organisation and End Point Assessment Organisation (EPAO), NOCN has been 'creating opportunities' for over 30 years. NOCN are at the forefront in the field of skills development and apprenticeships.

CSkills Awards is the second largest construction Awarding Organisation in the UK. CSkills Awards was an operating division of CITB, but transferred to the NOCN Group in 2017. CSkills Awards has a strong reputation in the UK construction market delivering a wide range of qualifications and apprenticeships from Entry Level to Level 7.

We are a vibrant and responsive group of organisations, and we're unashamedly proud of our established reputation for excellent customer service. Our track record speaks for itself and for over 25 years we have been offering a seamless learning accreditation service that is highly valued by our Recognised Centres and learners.

Our offer:

NOCN Qualifications

High quality regulated vocational and technical qualifications from Entry Level to Level 7 across a broad range of curriculum areas.

NOCN Apprenticeship Frameworks from Level 2 to Level 7.

Apprenticeships and End Point Assessments

NOCN is at the forefront of apprenticeship reforms including the introduction of the Apprenticeship Levy in the UK, working in partnership with employers, FE colleges, training providers and skills experts in Trailblazer groups to develop a range of standards and assessments for new apprenticeships.

NOCN is a market leading Government-approved apprentice End Point Assessment Organisation (EPAO) for a high number of apprenticeship standards in a range of sectors including: Business and Administrative, Construction, Engineering and Manufacturing, Health and Science, Legal, Finance and Accounting.

Access to HE

QAA Access to HE Diploma

One Awards is an Access Validating Agency, licensed by QAA (The Quality Assurance Agency for Higher Education) to accredit the QAA Access to HE Diploma. Our Diplomas are one of the main routes for adults wishing to apply to higher education in England, Wales and Northern Ireland. We provide a wide range of Diploma titles including Health, Art and Design, Media, Construction, Science, Engineering and more.

Bespoke Accreditation

One Awards Bespoke Accreditation

We provide a unit accreditation service that allows learning providers to offer truly unique units of learning that meets the precise needs of their organisation and their learners.

One Awards Bespoke Accreditations are credit-based assessments, tailor-made to the requirements of the Centre and learners.

Our units are written to national standards for credit-based assessments but are not included in any regulated frameworks. We also have a bank of over 500 existing units, covering a wide range of subject areas available solely to our Recognised Centres.

Quality Mark

One Awards Quality Mark

The Quality Mark is our formal, certificated endorsement of the quality of training offered by an employer or training organisation. This has been specifically designed to meet the needs of a wide range of employers and training organisations that offer their own, customised training activities

Events
