10. Claiming Certification

10.1. Generating the Recommendations for the Award of Credit (ERAC)

The RAC will only be available when the Centre Support Team has processed the registrations, the contact who submitted the registration will receive an email to confirm when this has been done. Please note you will only be able to download RACs where you are listed as the tutor on that course.

10.2. Obtaining a Recommendation for the Award of Credit Form (ERAC):

1. In the **Actions** menu at the top of the screen select **Your Cohorts** under the **Review** heading.
2. Find the relevant class from the list shown at the bottom of the screen, or use the search facility to search for the cohort and in the search results click on the **Cohort ID**.
3. In the Cohort at the top of the screen select **Results, ERAC Submission Forms**

The screenshot shows the QuartzWeb Tutor interface. At the top, there is a navigation bar with 'ONE' logo, 'Actions' and 'Resources' dropdowns, and user information 'Tutor' at Sunshine College' and 'Joe Sunshine'. Below the navigation bar, there is a 'Results' dropdown menu. The 'ERAC Submission Forms' option is highlighted with a red circle. To the right of this menu, the text 'TEST 3 - Keep' is visible. Below the menu, there is a table with the following data:

Provider	[12345] Sunshine College	Purchase Order No	TEST 3 - Keep

Provider Reference	TEST 3 - Keep		
Cohort Start	06/09/2018		
Site			
Number of Learners	1		
ICV	3	Minimum Age	18

- 10.3. If you are awarding units without RPL/Credit transfer then the default selection the **Matrix Submission Form** should be used.

- 10.4. Once you have selected the type of ERAC to generate, click on the **Generate ERAC** button.

The screenshot shows the QuartzWeb Tutor interface for the 'ERAC Submission Form'. At the top, there is a navigation bar with 'ONE' logo, 'Actions' and 'Resources' dropdowns, and user information 'Tutor' at Sunshine College' and 'Joe Sunshine'. Below the navigation bar, the text 'ERAC Submission Form' is displayed, followed by 'For cohort [1503847] TEST 3 - Keep'. There is a blue button labeled 'Back to Cohort'. Below this, there is a section titled 'Standard ERAC' with two checkboxes: 'Matrix Submission Form' (checked) and 'APL Submission Form' (unchecked). At the bottom of this section, there is a red button labeled 'Generate ERAC', which is circled in red. Below the button, there is a note: 'Once you have downloaded and checked your RAC, if you need to correct the spelling of a learner's name, please type the correct name in the notes box in the "ERAC Submission" screen before submitting your RAC.'

- 10.5.** You will be prompted either to “Open” (with Microsoft Excel) or “Save” the results sheet. We recommend that you either Open and then immediately save the results sheet to an appropriate folder on your Centre’s network, or Save directly to such a location (and then open the Excel sheet from there).

11. Completing the ERAC

11.1. Completing the ERAC (Not claiming RPL/Credit Transfer)

When submitting the ERAC electronically, the only part of the ERAC that needs to be completed is the unit achievement on the learner tab. This is done by selecting **achieved** from the drop-down list for each unit that each learner has achieved (you may need to click “Enable Edit”, “Enable Content” or both to use the drop down). When the ERAC has been completed and saved to your network, submit the ERAC via QuartzWeb.

Please ensure you check the completed ERAC for accuracy before submitting to One Awards, paying particular attention to spelling of learner names as changes requested after certificates have been issued will incur charges. Also, incorrect grades entered will lead to an incorrect Award of Credit. See the **Uploading the ERAC** section of this document for guidance on how to request amendment of learner names.

11.2. Completing the ERAC (Claiming RPL/Credit Transfer)

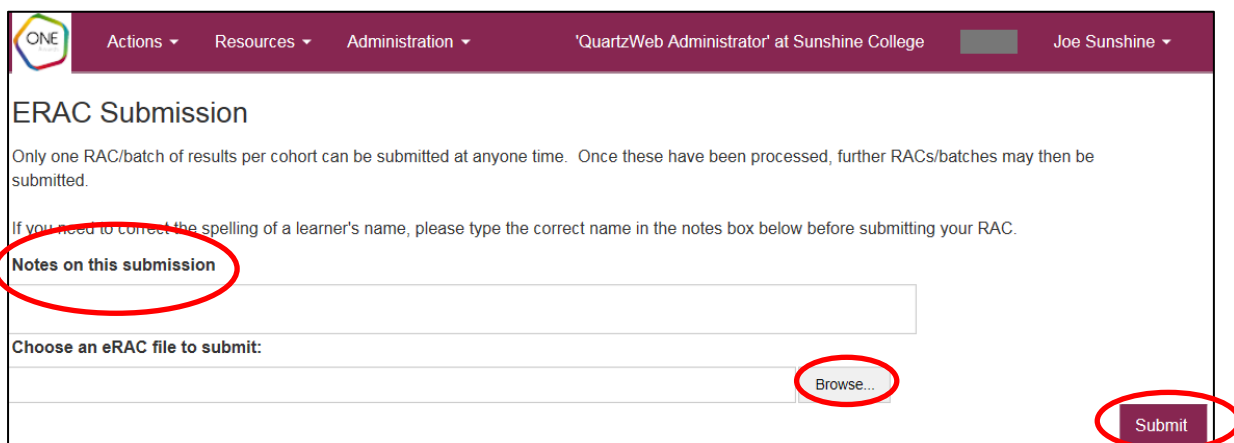

If a learner has previously been awarded credit for a unit, the date achieved will be shown on the ERAC. If a learner has been classed as being exempt from a unit, due to them having previously achieved a unit that has been classed as an exemption or equivalent (this information will be found within the Qualification Specification), achieving the same unit through another awarding organisation (credit transfer) or achieving the unit through RPL, contact the Centre Support Team at cst@oneawards.org.uk for further guidance on how to proceed before generating the ERAC.

11.3. Uploading the ERAC (only available to Tutors on NOCN QuartzWeb)

11.3.1. From the **Actions** menu at the top of the screen, select **ERAC Submission**

The ERAC submission screen will open:

- 11.3.2. **Notes on this submission:** If there are any amendments to learner names, the changes must be indicated in this field. Depending on the nature of the amendments, supporting documentation may be requested before changes and results can be processed.
- 11.3.3. Click on the **Browse** button.
- 11.3.4. Navigate to the eRAC on your computer and click **Submit**.
- 11.3.5. When the ERAC has been submitted for verification there are two possible ways for the ERAC to be verified, depending on the Verification process your Centre has been approved for.

One Awards Lead Internal Verifier (LIV)

If your Centre has been approved by One Awards to verify the ERACs for the course, an email will be sent to the designated LIV to verify or return the ERAC.

External Verifier – Verification at a Visit

If the ERAC is to be verified when the External Verifier (EV) next visits your Centre, **please ensure that all ERACs have been uploaded to QuartzWeb ready for the EV visit.**

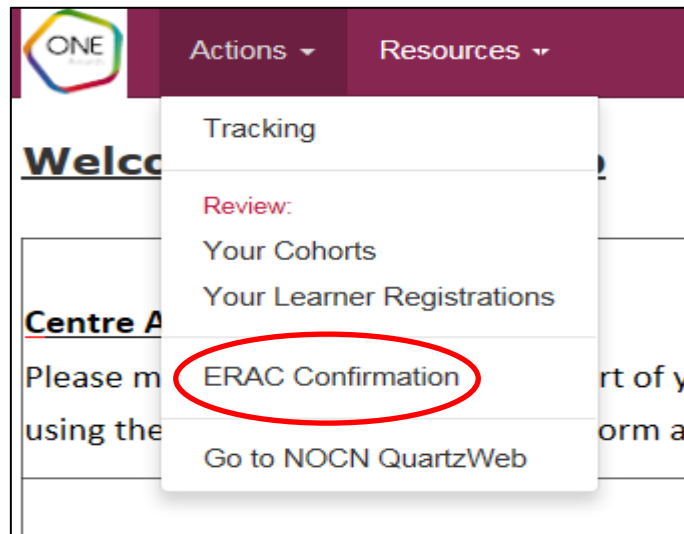

PLEASE NOTE: Submission of an ERAC on QuartzWeb does not automatically trigger an External Verifier Visit. Also, it is essential that a computer is made available when the visit does take place, to enable the EV to verify the results.

- 11.3.6. One Awards will process the results when they have been approved by either the External Verifier who is assigned to your Centre, or the Lead Internal Verifier (LIV) assigned to the course.

PLEASE NOTE: You will not be able to submit further results for the cohort until the earlier eRAC has been processed. Once the eRAC has been processed you can submit further results by generating a new eRAC.

12. ERAC Confirmation

- 12.1. You can view the Quality Assurance status of registered courses where you are listed as the Tutor. From the Actions menu select ERAC Confirmation.

- 12.2. The ERAC Confirmation screen shows cohorts results for cohorts where you were selected as the Tutor at registration, and that are waiting to be verified or waiting to be processed.
