

Higher Education Admissions Fair for Access to Higher Education Students

St James Park, Newcastle upon Tyne
Thursday 19th October 2017 from 10:00am-3:30pm

One Awards is delighted to invite you to our annual HE Admissions Fair, this year being held at the amazing St James Park in Newcastle. Our fair is designed exclusively for students enrolled on QAA recognised Access to HE courses across the North of England. We are also delighted to announce that several employers will be attending making this a unique opportunity for you to collect information and discuss employment opportunities in addition to HE advice and guidance. This event is not to be missed and is a perfect occasion for you to make informed choices about your future.

We will bring together universities and colleges to allow you to:

- **Speak directly to representatives from HE providers about their courses, and discuss what they offer mature students.**
- **Speak directly with employers about career opportunities available and progression routes after graduation.**
- **Find out how HE providers handle applications and what they are looking for from Access to HE applicants.**
- **Attend free workshops on writing your personal statement, student finance and funding, through to subject specific courses.**

The event is free to Access to HE students and their tutors.

To register your interest for the event, please see your course tutor or for more information visit:
