

NOCN Level 4 External Quality Assurance Qualifications

Course Outline

The Level 4 qualification for External Quality Assurance is designed to help you gain a Level 4 External Quality Assurance qualification remotely, without the need for attending any classroom sessions. You will attend workshop session remotely and have access to presentations, handouts and other support materials and you will have a dedicated tutor to support and guide you through your programme, enabling you to complete both the theoretical and practical assessments.

Information

The units can be achieved in the combinations as shown below, the cost of the course may vary on the combination of units chosen:

NOCN Level 4 Award in Understanding the External Quality Assurance of Assessment Processes and Practice

is intended for those who wish to gain an understanding of the principles and practices of external quality assurance without any requirement to practice

Understanding the principles and practices of externally assuring the quality of assessment

6 credits

NOCN Level 4 Award in the External Quality Assurance of Assessment Processes and Practice

is intended to assess the performance of a learning and development practitioner with responsibility for the external quality assurance of assessment – usually an external verifier. The purpose of this qualification is to confirm competence in an occupational role to the standards required.

Understanding the principles and practices of externally assuring the quality of assessment

6 credits

*Please note you will need a minimum of 2 centres to carry out EQA activities to generate the evidence required for the practical unit – Externally assure the quality of assessment.

Externally assure the quality of assessment

6 credits

What the course involves:

The course is delivered as a 2-day remote workshop, after which there will be a series of assignments that will be submit electronically. Individual support sessions are offered to provide guidance and support and ensure successful achievement of their certificate.

What does the training involve?

You will gain an understanding of the principles and practices of internal quality assurance and develop the skills required to enable you to carry out internal quality assurer roles from within an organisation or assessment centre.

NOCN Level 4 External Quality Assurance Qualifications

This qualification is assessed by the following method:

The qualifications are assessed through a range of written tasks, assignments, projects, case studies resulting in a portfolio produced to meet the assessment criteria. Assignment submission dates are negotiated and agreed with individual learners to meet their needs/requirements but once agreed must be submitted on time and completed by the programme end date.

Who would benefit from his course?

- Those who wish to gain an understanding of the principles and practices of internal quality assurance.
- Those whose role involves the internal quality assurance of assessment.
