

One Awards Future Plans & Developments

Abby Gilbert

Product Manager Access to HE

Abby Gilbert

I have been an Access to HE Curriculum Manager for 10 years in a Further Education College prior to joining One Awards.

I am passionate about developing and strengthening Access provision across the adult education sector.

Please get in touch to discuss developing your provision.

- Diploma Development
- Resources & online content
- Provider guidance and support material
- Working directly with providers supporting their development of the Access to HE Provision
- Liaising with QAA and other external bodies
- Focus Groups

How do you want to develop your Access to HE provision?

I will be organising focus groups to gather provider feedback on Access provision please keep an eye on social media for dates.

Access to Higher Education

- 40,550 individuals registered to study an Access to HE Diploma in 2019-20, (QAA 2021)
- 79% of Access to HE Students stayed in their local areas to study Higher Education
- By ensuring our Access Provision reflects growing sectors in both Higher Education and the Jobs market we are building a sustainable future for your colleges and communities

How do we build Access?

PART OF **nocn** GROUP

- **Skills boost - Local Skills Partnerships**

A focus on incorporating skills through volunteering opportunities, aligning academic and practical skills to allow students to apply to HEI for degree courses and Higher-level apprenticeships. Work collaboratively with local employers and community leaders to increase short volunteer opportunities for Access students

IMPACT: Raise profile of Access to HE in community and HEI's. Improve skill set of students ready for next step. Demonstrates to HEI's the flexibility of Access programmes to meet entry requirements for their wide range of courses.

- **Online Delivery**

The pandemic provided an opportunity for colleges to develop their staff and Access programmes providing excellent online provision. To support flexible learning OA are producing online resources and training for providers.

IMPACT: Colleges able to access wider demographic of students. Flexible learning positive for both staff and students – improved achievement rates. Opportunity to offer more diploma's – around growing industries (health & social care, Stem areas)

Internal Progression
Do your Access courses support your Higher Level Progression routes?

What's new with One Awards?

- **Environmental & Sustainability Units**
- **Esports**
- **Online resources to support TLA**
- **IAG Toolkits**
- **Build your own Diploma**
- **Assignment Brief Bank**
