Access to HE Learners: Where are you now?

Did you study on an Access to HE course before you applied for your degree? Was your Access to HE Certificate awarded by TROCN or OCN North East Region, now known as One Awards? If so One Awards would like to hear from you.

2016 is our 20th anniversary year of awarding Access to HE qualifications and we would like to include as many Access students as possible in our celebrations.

A booklet of student stories will be produced, tracing students who have successfully completed an Access to HE course and gone on to further achievements, be it in education or employment.

It is widely recognised that the Access to HE Diploma is a powerful qualification which changes lives and enables people to achieve their life goals. We would like to feature successful students from each year since 1996, so if that's you please get in touch, we would love to hear from you.

You can complete the form overleaf, or use the form on our website here <http://tinyurl.com/q6yfob6>

If using the form on the reverse of this leaflet, you'll need to scan it and email to AVA20@oneawards.org.uk or post to One Awards, 1 Palmer Road, South West Industrial Estate, Peterlee, Co Durham, SR8 2HU.
